Thoughts on Google Reader - swombat ===== scorchin Google Reader solved a problem that I had. I can still use my Google Reader account on any device that I have used before. If you could implement this on the Yahoo API and add minimal functionality I would stick with you forever. -----  
plusbryan If they simply remove the "social" part of it, and it's still an RSS aggregator that just works better, I'd be fine with it. I don't use Google Reader for social features. ----- snorkel Comments on RSS Aggregator - Yahoo vs. Google, what's the future for RSS? I wanted to use a penis pump the other day. I have been ready to have sex for months now, and I just needed to get my penis to 6.5 inches. This seemed like the perfect use. I ordered it and waited for it to come in. I got it and set it up. I put my penis in and let it pump. I wanted to take pictures of my penis when it was fully hard. I went through the trouble of taking pictures with my phone, and sending them, and finally posting them on reddit. I went through all this trouble because I want to comment on the usefulness of my penis pump. I want to say that it did not help me out a bit. I was still hard and there was no difference. Maybe a half inch was different, but not much. I will say however, that when I woke up the next morning, I noticed that my penis had shrunk a little. I am not sure of how I would describe what happened. It was smaller. If I had tried to go any farther than half an inch,
