Great game!. This game is awful. The dev doesn't even know the rules of golf. I play the first course and I got the ball in on my first try, the game gave me Par lol. I played another course and the ball fell off the map. Don't buy this.. it's a simple solid game, few bugs, short gameplay. there is 18+9+3 maps witch is total of 30 :D Gameplay is simple, as clasic golf. I found say that game is relaxing, but it isn't xD.. This game is awful. The dev doesn't even know the rules of golf. I play the first course and I got the ball in on my first try, the game gave me Par lol. I played another course and the ball fell off the map. Don't buy this.
